

Bimaterial 1000V Screwdrivers

100 YEARS WARRANTY

1000V

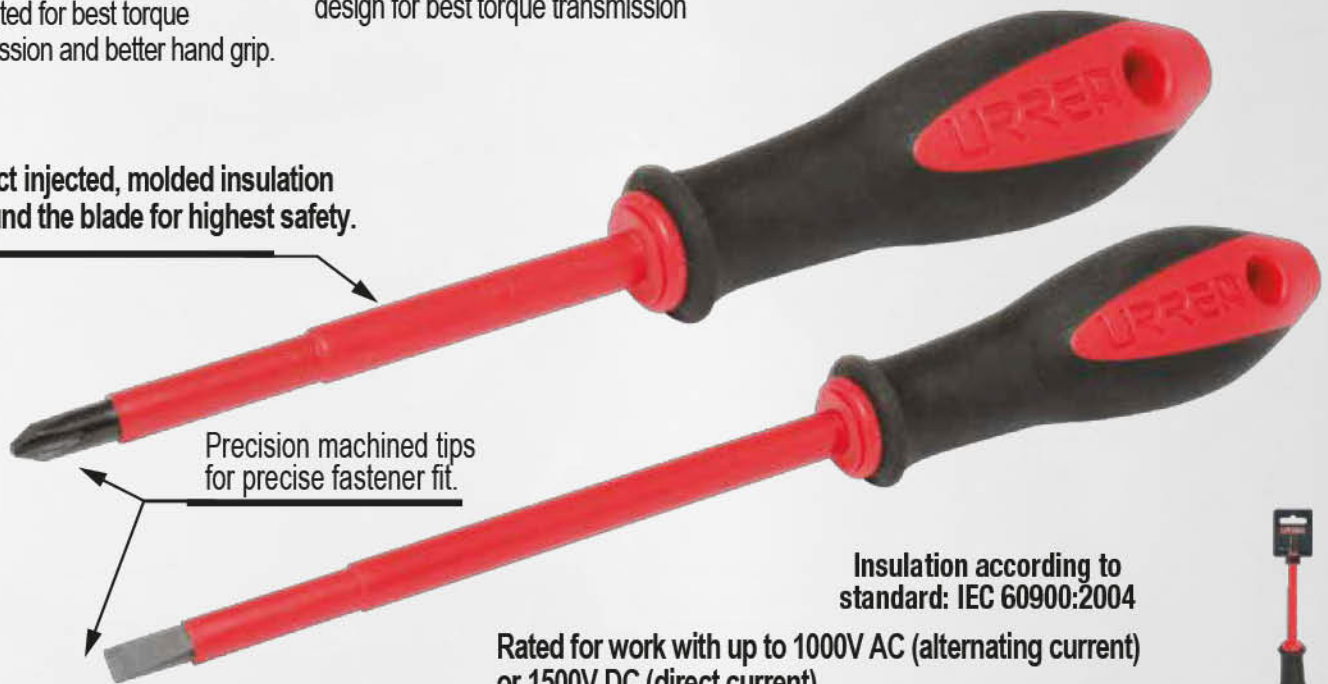

BIMATERIAL

Red hard PP material is formulated to prevent bars from turning. Black soft TPE material is formulated for best torque transmission and better hand grip.

Trilobular
design for best torque transmission

Direct injected, molded insulation around the blade for highest safety.

Precision machined tips for precise fastener fit.

Insulation according to standard: IEC 60900:2004

Rated for work with up to 1000V AC (alternating current) or 1500V DC (direct current).

All parts are 100% tested with an electrical discharge of 10,000V
